Article 1. Preamble

These General Terms and Conditions of Sale (hereafter "GTCS") have been entered into between PEGGY SAGE SA Rue de la Croix d'Or 27 1204 Genève Suisse - (hereafter "PEGGY SAGE" or "the Seller") and any adult individual or legal entity wishing to buy on the Website for professional purposes (hereafter "Buyer"). They aim to set out the general and special terms and conditions applicable to any purchase of goods by the Buyer on the Website (hereafter "Order"). They shall apply without restriction to all sales of products offered by PEGGY SAGE on its Website.

Consequently, the act of ordering a product offered for sale on PEGGY SAGE's Website implies full acceptance of these GTCS as well as the "Personal data and Cookies" policy, which the Buyer acknowledges having read before placing their Order.

PEGGY SAGE reserves the right to amend these GTCS at any time, without notice. As a result, the Buyer is invited to regularly check PEGGY SAGE's GTCS. Nevertheless, the GTCS applicable to the Order shall be those accepted by the Buyer at the time of the Order.

Article 2. Products

2.1. Product characteristics

The Buyer can read the essential characteristics of the goods offered for sale by PEGGY SAGE on the Website.

PEGGY SAGE puts a lot of care into the images of the products it provides on the Website. However, due to the digital image processing and in spite of all the care that goes into those images, the sizes and/or colors and/or packaging of products may be slightly different from the reality.

These images are for illustration purposes only and in case of a difference between the image and the description on the product sheet, the description on the product sheet shall be binding.

2.2. Availability of products

The products on offer on the Website are valid, unless a specific duration to the contrary is stated, as long as they appear in the electronic catalogue and while stocks last.

In any case, where products are totally or partly unavailable after an Order is placed, the Buyer will be informed accordingly by email as soon as possible and about the total or partial cancellation of their order. In that event, the Buyer shall be refunded the price of the unavailable product as soon as possible.

2.3. Product conformity

The products sold on the Website meet applicable requirements respecting the health and safety of persons, fair trading and consumer protection at the time they are placed on the market.

Article 3. Prices

The prices of products sold on the Website are indicated in CHF, tax inclusive. Prices are those applicable at the time the Buyer confirms the Order. They shall be valid in Switzerland and Liechtenstein.

The prices do not include shipping charges, which shall be invoiced in addition to the price of products and indicated to the Buyer before the Order is recorded.

PEGGY SAGE may change the selling price of products at any time. However, invoicing shall be based on the price applicable at the time the Buyer confirms the Order, subject to the ordered products being available.

Article 4. Order

4.1. Conclusion of the agreement

To place an Order, the Buyer shall add the desired products to "My Basket" by clicking on the appropriate button, making sure to first select the quantity and/or color of the desired product.

The basket's content can be accessed at any time by clicking on the "My Basket" button on each page of the Website. The Buyer may change quantities and remove products if necessary.

After selecting products and quantities, the Buyer clicks on the "Complete my Order" button and provides the required information on delivery and payment method.

Before clicking on the "Place Order" button, the Buyer has the option of checking the details of their Order and its total price (including delivery charges), as well as of returning to the previous page to correct any errors. After checking and confirming the Order, the Buyer is redirected to a payment page where they can make a payment based on the method selected.

Confirmation of the Order implies full acceptance of the GTCS and constitutes the agreement.

PEGGY SAGE sends the Buyer an email acknowledging receipt of the Order and its payment as soon as possible.

PEGGY SAGE reserves the right to refuse any Order in case of dispute regarding payment by the Buyer of a previous Order or where banking institutions refuse to authorise payment.

4.2. Changes to Orders

Any change to an Order by the Buyer after confirmation shall be subject to acceptance by PEGGY SAGE.

4.3. Unavailability of ordered products

Where products are totally or partially unavailable after an Order is placed, the Buyer shall be informed accordingly as soon as possible.

If the Order is totally cancelled:

- The Buyer's Order shall be automatically cancelled and their bank account shall not be debited,
- PEGGY SAGE Customer Services shall contact the Buyer to inform them that their Order has been cancelled and to propose that they renew their Order, except where the product is unavailable.

If the Order is partially cancelled:

- The Buyer's Order will be approved and their bank account debited the full amount of the Order,
- The Buyer shall be delivered the available products;
- The Buyer will be refunded the price of the ordered, but unavailable product as soon as possible, but no later than 30 days subsequent to the date the payment was made.

The price shall be payable in full after the Order is confirmed.

Article 5. Payment

The following payment methods are accepted:

- Bank card

The following bank cards will be accepted on the Website: EC, Visa, MasterCard.

The bank card will be debited the full amount of the Order immediately following confirmation. In case of partial delivery, the bank card that was used for the purchase will be re-credited the amount for unavailable products. Additional delivery subject to the re-stocking of the missing items will be offered.

Online payments are secured through the 3D SECURE security system put in place by ConCardis.

If there is a dispute or officially accredited payment institutions refuse to authorise payment, PEGGY SAGE reserves the right to suspend or cancel delivery of the Order, as well as to refuse or cancel any Order from a Buyer with whom there is an ongoing dispute concerning payment or the return of an Order.

PayPal

The Buyer may use their PayPal account to pay for their Order. Once the Order is completed and the PayPal payment method selected, the Buyer is directed to the PayPal website to pay for their Order.

After each transaction using this method, a confirmation email is sent by PayPal to the Buyer. The amount for the Order is debited from the PayPal account at the time the carrier processes the Order. When entering the Order on the Website, an authorisation request will be made simply to check whether or not there are funds in the customer's PayPal account; no debit will be made. If the Order is cancelled, the amount is refunded into the Buyer's PayPal account.

PEGGY SAGE reserves the right to terminate the agreement and demand that products be returned in the event of non-payment.

A detailed invoice will be accessible from the customer area and a delivery slip will be attached to the package. Also, this information will remain available for printing for six months from the dispatch of the Order from "My account" in the Buyer's account on the Website.

A complete invoice will be provided when the product is collected/delivered.

Article 6. Delivery

6.1. General rules

At the time of dispatching their Order, the Buyer will receive an email containing the package's reference, address and delivery method.

Deliveries are only made to Switzerland and Liechtenstein.

Not all delivery methods are available for all products. It is therefore possible for some delivery methods, in particular "Click & Collect", not to be available to a Buyer for their Order.

6.2. Delivery methods

6.2.1. Home delivery

Home delivery can be made via by La Poste (French postal service) or any other selected carrier. In this case, delivery time is within no more than 10 days from the dispatch of the Order.

The Buyer can track their package either via the URL sent to them in the email informing them of the dispatch of their package, or directly by logging onto their account on the Website.

Any Order not received at the address provided by the Buyer thirty days after the dispatch shall be considered lost. In that event, PEGGY SAGE undertakes to dispatch the Order once more to the Buyer subject to the ordered products being available, or to refund all or part of products that are out of stock.

6.2.2. Delivery to store

"Click & Collect" delivery is when the Buyer or Order recipient has to come and pick up, then pay for the package they ordered, paid online or not on the Website, from one of the PEGGY SAGE stores that offers this delivery method.

When the Buyer chooses this delivery method on the Website, his Order is confirmed by email. When the order is prepared and ready to be collected at the store, the Buyer receives an email.

Upon receiving the Order confirmation email, the Buyer is allowed 7 days within which to pick up the package. After this period, the Order will be cancelled and the Buyer will be refunded the amount of his Order, if he has paid online.

Should a product be unavailable, the Buyer will be reached by phone and suggested another option: entire or partial cancellation of the order or replacement of the missing product.

Should the Buyer choose to cancel the entire order, the Buyer can place the order online again and choose another delivery mode.

Article 7. Product warranties – After-sales service

7.1. Commercial warranty

Any warranties on the items sold on the Website, as well as the conditions and procedures for the implementation of the warranties, are set out in the descriptions in the technical specifications. They correspond to the warranties granted by suppliers and range from six months to two years depending on the supplier. They only cover manufacturing defects, not problems related to damage or improper use of the product by the Buyer.

Upon receiving the product or products, in case of inconsistency between the problem noted by PEGGY SAGE technicians and the Buyer's assertions, PEGGY SAGE reserves the right to not send the item for repair or exchange it. If the Buyer wants to recover their damaged or defective item, they may request this accordingly by email or by post (to the addresses indicated above). In that case, expenses for re-dispatching the item will be borne by the Buyer.

Once repaired or exchanged, PEGGY SAGE shall re-dispatch the item at its expense to the address indicated by the Buyer.
